FOCUS AREAS WE SUPPORT

EDUCATION

We change the future of our community by making sure our youngest are set up for success, from kindergarten to graduation and beyond.

INCOME

To give our community a strong foundation, we empower our neighbors to overcome financial hardships and achieve financial stability.

HEALTH

Good health is essential to excelling at school, work, and play. Through accessible care, we can unlock greater health for everyone in our community.

OUR MISSION: Through leadership, partnerships, and innovation, Heart of Arkansas United Way unites community resources to meet changing health and human needs.
